HEBRON, CT (WFSB) -

Some familiar faces took part in a charity golf tournament to benefit !MPACT, an organization with a mission to eliminate tragedies caused by inexperienced drivers through awareness.

Channel 3's Eric Parker, Mark Dixon and Scot Haney took part in the event at the Blackledge Country Club in Hebron Friday afternoon.

The Arbella Insurance Foundation announced that it is making a \$50,000 donation to the organization and will present the check at the end of the tournament.

"We've worked with the folks at !MPACT in recent years, and the work they're doing is so important," said Tom Pozzo, AVP president of Bearingstar Insurance, a member of the Arbella Insurance Group. "When we brought the !MPACT story to our partners at the Arbella Insurance Foundation, they immediately stepped in to help the organization continue its education campaign. Bearingstar and Arbella share !MPACT's commitment to keeping our new drivers safe on the roads and this donation will go a long way in making that happen."

!MPACT officials said they plan to use the donation to expand awareness and teen driving education programs.
